Phuket is among the world's finest beach destinations, with fine white sands, nodding palm trees, glittering seas and lively towns. Explore Phuket holidays and discover the best time and places to visit

DAY 1 - Arrive Phuket

DAY 2 - City tour of Phuket

Post breakfast set out to learn more about Phuket as you proceed for the Panoramic city tour. Start your tour with a drive to Phuket Town for the local sightseeing, especially to see the Sino-Portuguese architecture. Most of the people in Phuket built their houses by mixing the styles of Chinese and Portuguese architecture. Here you will get to see the beautiful and spectacular architecture of their houses. Later proceed to visit the Chalong Temple (Wat – Chalong), a very famous temple amongst the monks since olden times. It is the place where the cast statue of Luang Por Cham stands. Luang Por Cham helped people to put down the Ahngyee, or Chinese Coolie Rebellion in 1876 during the reign of King Rama V. There are also statues of other famous monks, who also gained respect from the people in Phuket. Continue your picturesque tour with a drive pass through the Rawai Beach where a local Sea Gypsy's Village is located. Most of the residents here are fishermen. These local people have their old lifestyle and unique characteristic, which is different from people who live in the town in Phuket. Also, their original tradition believes and respects are different. Now it's the time to visit the amazing Part of the tour - Prom Thep Cape. The beautiful peninsular adjacent to the famous Nai Harn Beach. It's the Phuket's southernmost point and a perfect place to view a spectacular sunset. Take a short break stop to rest and then proceed to visit World Gems Gallery. It's the world's largest showroom where you can find the most extensive collections of world-class jewelry product which is created by the in-house factory. The store also presents multi-vision slides of genuine natural stones with lifetime service guaranteed.

Post this tour return to the hotel. The remaining time will be at leisure to enjoy on your own or we recommend to choose from the below optional tours.

DAY 3 - Phi Phi Island Tour

Today post breakfast, get ready for an exciting day ahead. Phi Phi islands is famous from the movie 'The Beach' (2000) starring Leonardo DiCaprio (who we think should have won some oscar, by now). Witness the stunning mountainous scenery surrounding paradise lagoon and coves. Get lost a little bit in a lush green patch of the piyapis and tropical trees. Imagine yourself being cast-away there, wandering about some foreign paradise, eating bugs right off the tree, tripping your day in the water and creating lots of memories. Proceed for local lunch. Post this tour return to the hotel. Remaining time will be at leisure to enjoy on your own.

DAY 4 - Depart Phuket

After breakfast, check out well in time to proceed to the Phuket airport & board the return flight to home. (B)
