Meet our representative upon arrival in Delhi and proceed to Nainital - This was a popular summer vacation resort for the British. In 1817, the commissioner of Kumaon, G.W. Traill was the first European to visit the place. However, he did not mention about the place among his folks in order to retain the religious sanctity of the place. Upon arrival, check-in at the hotel for dinner and overnight stay.

## Day 02 - Explore Nainital

After breakfast, enjoy sightseeing tour covering Tiffin top and Land's End. Both offers excellent views of neighboring hills and green valley with rural houses. Later, trek for 6 kms or hire a pony to reach at the highest point called Cheena/Naina peak, which offers snow clad peaks of the Himalayan range, bird eye view of Naini Lake and Nainital town. In 1869 the British established the headquarters of the Kumaon Regiment here and used the station as a retreat from the heat of the Indian summer. Till date, it is home to the Kumaon Regiment and bristling with good old-fashioned military atmosphere, spreads over rolling green hills with some lovely views over the distant Himalaya. Upon arrival, check-in at the designated resort for dinner and overnight stay.

Corbett is a home to densest tiger population in the world which guarantees the glimpses of the elusive big cat in its premises. It is a vast Eco-Sphere that is blessed with the plethora of wildlife where you can enjoy several activities like jungle safaris, trekking, bird watching, elephants ride and much more.
